## Scarves/Hats/Gloves 'n Hugs!

*by M. D. MillerJones*

Can you imagine walking several blocks out in the blistering cold, and having to wait at the bus stop for 5, 10, maybe up to 30 minutes? Or hanging out downtown where gusts of wind and ice-cold drizzle numbed you to the bone, while a family member smoked a cigarette between transfers?

Now picture those scenarios, but you are only 5 or 4 or 3 or 2 years old. Your mom put **no hat** on your head, **no gloves** on your little hands, **no scarf** to stop the cold from whipping down your t-shirtless neck. It's a reality all over this community. (ONE SO AVOIDABLE!!!)

There are hundreds of babies and toddlers all over the west side who do not have the basic necessities to keep warm, as they go back and forth with

their moms to daycares, who ride the RTA; and countless more school-age kids walking to school under the same set of circumstances!

You can help keep another warm this winter by donating **new** or **\*gently-used** scarves, hats, gloves, earmuffs, baby blankets and mittens during the:

### **“SCARVES, HATS, GLOVES 'n HUGS” Winter Accessory Acquisition and Distribution Drive**

Running from now until mid March, 2012, drop-off locations are:

- ✓ Bella Vista Homes Mgt. Office (3804 Nicholas Rd.),
- ✓ Just for You Laundromat (1601 N. Gettysburg)

## Goin' Back to Church?

*by M. D. MillerJones*

Been thinking going back to church is long overdue? Well, if you haven't worshipped for some time (or EVER), it probably is!

While it might be “overdue”, it is never “too late” --not yet, anyway. There's room for you and your family at just about every church in the Dayton area.

All six of those I have attended, over the past 45 years, here in Dayton,

have taught me a wealth of good news about God and His wonderful Son, JESUS. Don't deny yourself, nor your kids the opportunity to learn about God's promises to those who accept His Son and do His will. One day it'll be too late— *“Church ain't like no flu shot; one day you really gon' need it!”*

### **CHECK OUT THESE CHURCHES:**

*(There are many more places to worship within the city; these happen to be one's I and my family have not only spiritually benefited from, but are locations where blessings, gifts and healings manifest,*

\*Please WASH Gently-Used Garments, then ZipLock. This Helps Us Distribute.

When temps. drop below 40° the Living Canvas of America team hits the streets of Downtown Dayton (hub) and Westown Shopping Center (and routes all along the way) to hand out the much-needed accessories to kids and adults alike; volunteers to help are needed.

If you are an abled-body individual, please consider helping distribute to those in need. Imagine the impact you will have on someone without! I can tell you from experience, there's no greater joy than seeing the smiles on little ones' faces, as their cheeks return to their natural colors, given the body's new-found warmth!

No need to wait on LCoA to schedule, just get your own supply, load them in your car and go!
